Hi Shaun.

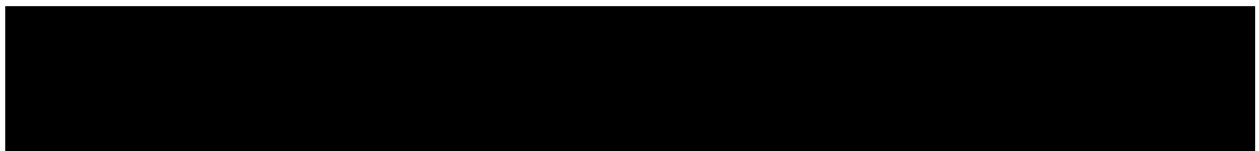

The only new development is that 4 volunteers have been proposed to work on this project.

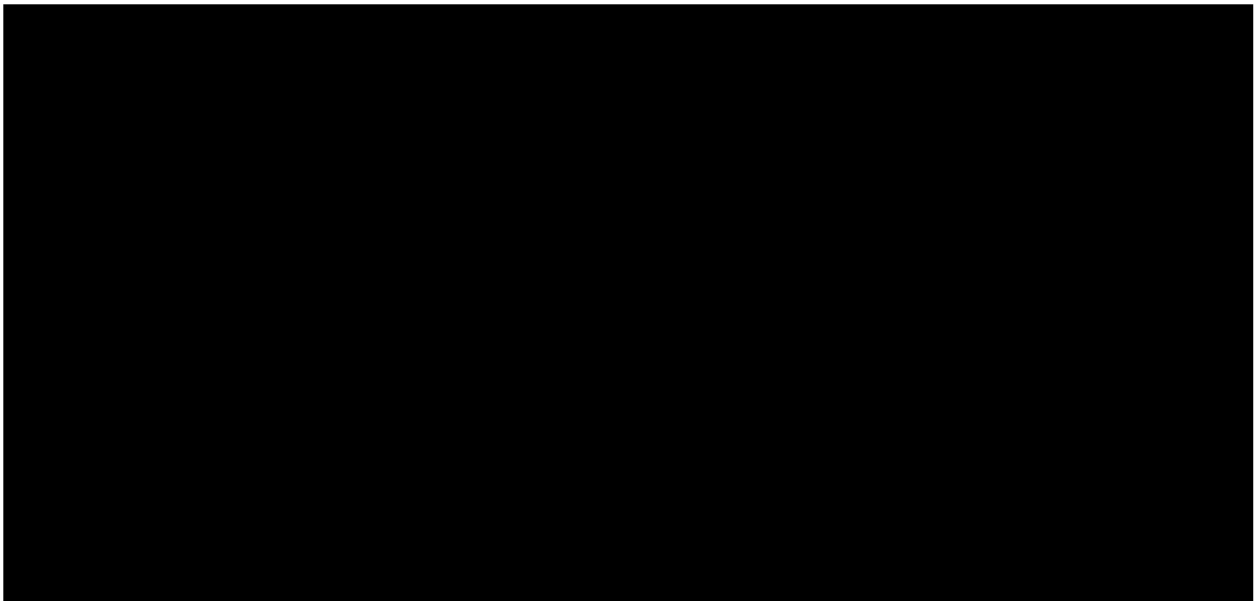

OLEM – Pam Barr

OW – Jeff Lape

ORD – Jay Garland and Tom Speth

Please note – Sarah Bauer will be returning to the office next week. She is the FTTA Coordinator for the Agency and she and her team broker the CRADAs, while Geoff and I provide legal support. This project should be placed with Sarah and her team. With the support of the folks named above.

I'd be happy to discuss before the conference call tomorrow.
